

Funny Bones

A Cajun, Osama bin Laden, and Dick Cheney are out walking together one day. They come across a lantern and a genie pops out of it.

"I will give each of you each one wish. That's three wishes total," says the genie.

The Cajun says, "I'm a hunter, my daddy was a hunter, and my son will also hunt. I want the deer to be forever plentiful in Louisiana."

With a blink of the genie's eye, *POOF* the deer population of Louisiana was set to stay plentiful forever.

Bin Laden was amazed, so he said, "I want a wall around all of the land of the Moslems, so that no infidels, Jews, or Americans can ever come in to defile our homeland."

Again, with a blink of the genie's eye, *POOF* there was a huge wall around all of the Moslem countries.

Dick Cheney asks, "I'm very curious. Please tell me more about this wall."

The Genie explains, "Well, it's about 15,000 feet high, 500 feet thick, and completely surrounds the Arab lands; nothing can get in or out - it's virtually impenetrable."

Cheney says, "Okay. Fill it with water."

Important:

1. It's important to have a woman who helps at home, who cooks, cleans up and has a job.
2. It's important to have a woman who can make you laugh.
3. It's important to have a woman who you can trust and who doesn't lie to you.
4. It's important to have a woman good in bed and who likes to be with you.
5. It's very, very important that these four women don't ever meet each other.

Two immigrants arrive in the United States and are discussing the difference between the Old Country and the U.S. One of them says that he's heard that people in the U.S. eat dogs, and if they're going to fit in, they better eat dogs as well. So they head to the nearest hot dog stand and order two 'dogs.' The first guy unwraps his, looks at it, and nervously looks at his friend. "What part did you get?"

George Bush Sr. was sitting in the lobby at the airport in Houston one day, planning his speech to a group of businessmen, when a man approached him. "Excuse me, Mr. Bush, but my name is Judge Mark Foster, and I'm here to meet a guy for an extremely important business deal. I've always been a good Republican, and it would be a great help to me if, when we walk by, you could impress this guy I'm meeting by saying, 'Hello, Mark!'"

Bush agrees to do so, and fifteen minutes later, the same man walks past with another man, deep in conversation.

Bush spots the pair, waves, and calls out, "Hello, Mark!"

Foster replies, "Dammit, Bush! Can't you see I'm in a meeting?" and keeps walking.

Just in case you've had a rough day, here is a stress management technique recommended in all the latest psychological texts, the funny thing is that it really works! Picture yourself near a stream. Birds are softly chirping in the cool mountain air. No one but you knows your secret place. You are in total seclusion from the hectic place called "the world." The soothing sound of a gentle waterfall fills the air with a cascade of serenity. The water is crystal clear. You can easily make out the face of the person you're holding under water!

"It's a good thing you got to us early. You've got worms."
