

Make me Laugh & I will buy you a beer!

A husband and wife were celebrating their 50th anniversary. That night the wife approached her husband wearing the exact same sexy negligee she had worn on their wedding night. She looked at her husband and said, "Honey, do you remember this?" He looked up at her and said, "Yes dear, I do. You wore that same negligee the night we were married." She said, "That's right. Do you remember what you said to me that night?" He nodded and said, "Yes dear, I still remember." "Well, what was it?" she asked. He responded, "As I remember, I said, 'Baby, I'm going to suck the life out of those big boobs and screw your brains out.' " She giggled and said, "Yes honey, that's exactly what you said. So, now it's 50 years later, and I'm in the same negligee I wore that night. What do you have to say tonight?" Again he looked up at her, and he replied, "Mission accomplished!"

A newlywed couple had only been married for two weeks. The husband, although very much in love, couldn't wait to go out on the town and party with his old buddies. So, he said to his new wife, "Honey, I'll be right back." "Where are you going, coochy coo?" asked the wife.

Lazy snakes

"I'm going to the bar, pretty face. I'm going to have a beer." The wife said, "You want a beer, my love?" She opened the door to the refrigerator and showed him 25 different kinds of beer, brands from 12 different countries: Germany, Holland, Mexico, etc... The husband didn't know what to do, and the only thing that he could think of saying was, "Yes, lolly pop ... but at the bar ... you know ... They.. have frozen glasses ..."

He didn't get to finish the sentence, because the wife interrupted him by saying, "You want a frozen glass, puppy face?" She took a huge beer mug out of the freezer, so frozen that she was getting chills just holding it.

The husband, looking a bit pale, said, "Yes, tootsie roll, but at the bar they have those hot wings that are really delicious ... I won't be long, I'll be right back. I promise. OK?"

"You want hot wings my love muffin?" She opened the oven and took out 5 dishes of different flavors of hot wings.

"But my sweet honey ... at the bar ... you know ... there's swearing, dirty words and all that."

"The truth is, since I got here, I really don't get the blues."

The wife replied, "You want dirty words, cutie pie? ... "Listen up, dick-head! Drink your fucking beer in your god damned frozen mug and eat those motherfucking wings, because your ass ain't going nowhere! Got it, asshole?"

... and, they lived happily ever after. Now isn't that a sweet story?"

Proudly showing off his new apartment to a couple of his friends late one night, the drunk led the way to his bedroom where there was a big brass Chinese gong.

"What's that big brass Chinese gong?" one of the guests asked.

"It's not a gong. It's some kind of talking clock I found at a yard sale" the drunk replied.

"A talking clock? Seriously?" asked his astonished friend. "What does it say?"

"It cusses like a sailor" replied the drunk.

"No shit? How's it work?" the 2nd guest asked, squinting at it.

"Watch this" the drunk replied. He picked up a hammer, gave it an ear-shattering pound and stepped back. The three stood looking at one another for a moment.

Suddenly, someone on the other side of the wall screamed: "You asshole! it's three o'clock in the fucking morning!"

The couple was out drinking when the wife noticed a familiar face at the bar.

"Honey," she said, pointing, "do you see that man drowning in whiskey across the bar?"

The husband looked over and nodded.

"Well," the woman continued, "he's been drinking like that for ten years, ever since I broke up with him."

The husband rolled his eyes. "No way," he said, "even that's not worth so much celebrating."

Forgetful people who live in glass houses

The man was in no shape to drive, so he wisely left his car parked and walked home. As he was walking unsteadily along, he was stopped by a policeman. "What are you doing out here at 2 A. M.?" asked the officer.

"I'm on my way to attend a lecture." The man said.

"That don't sound right to me, mister.

Who is going to give a lecture at this hour?" the cop asked.

"My wife," said the man.
